LEADERSHIP

- UCF Student Government Leadership Council - attend and volunteer at events for Student Government and shadow current government agents for a variety of experiences on how to become an effective leader at UCF.
- Honors Congress Academic Committee Member – help organization, prepare, and set-up monthly academic events for the Honors Congress.
- Community Service Witness Representative (homeroom) – lead homeroom initiatives including organizing a collection for canned food drives and holiday gift collection fundraisers.
- Project Linus Chapter Co-Leader (community service in high school) – organized monthly meetings to guide students in the process of making no-sew blankets for children in hospitals around the area.
- UA (High School) Book Club President – Remodeled the club into focusing on a different genre every month instead of books to be more acuminating for busy students and increased attendance by 40%.
